

CHANGSUNG KOREA CO., LTD

Global Oil Trading and Eco-friendly enterprises

CHANGSUNG KOREA CO., LTD

We pursue global trading to supply the best quality petroleum products at the most competitive prices. Founded in 2018, CHANGSUNG KOREA CO., LTD have established office in Seoul, South Korea.

Chairman Kim Jung-Han of CHANGSUNG KOREA CO., LTD was the partner and Chairman of GEMS HABIL and they successfully delivered many oil deals to date.

Chairman Kim was responsible for all the finances and banking administration for all the oil and gas deals. However, due to global market diversification reasons and the impact of high demand of oil goods, Chairman Kim and GEMS HABIL officially decided to establish and launch a brand-new division focusing on new clientele and other global refineries. It was decided that Chairman Kim is to spearhead this new corporation.

Therefore, CHANGSUNG KOREA CO., LTD was established back in 2018 and placed and performed much research and development towards the new market demands, constantly changing global situation and current discriminating client expectations.

COMPANY PROFILE

GEMS HABIL

GEMS HABIL

Founded in 2010, Gems Habil have established offices in Singapore, Malaysia and Sri Lanka and have grown to become a global company in seven years by providing more than 30 million tons of petrochemical products and resource trade each year. Gems Habil is placed as the strategic partner to the Russian Refineries & Petroleum Industries Company, supplying refined petroleum products to Southeast Asia. In addition, Gems Habil secured a license to supply oil to Sri Lanka Petroleum Corporation from 2016. Gems Habil is dedicated to creating the future value of providing the highest quality petrochemical products at the most economical prices, while giving priority to customers.
